Dental Savings Plan

Our Dental Savings Plan is an affordable way for our patients to have access to quality dental care.

We have you covered!

\$425

\$349 for Children

Our yearly Dental Savings Plan for patients included the following:

- 1 Comprehensive Examination (D0150) – 1st year only
 - Set of 2D Oral/Facial Images (D0350)
 - 3D Intra-Oral Scan (D0470)
- 1 Regular Oral Evaluation (D0120) – 2 oral evaluations subsequent years
- 2 Regular Dental Cleanings (D1110) *
 - If clinically necessary, the following procedures will be covered once in a lifetime at the initial visit and will be substituted for a regular dental cleaning:
 - Scaling in the presence of gingival inflammation (D4346)
 - Full mouth debridement to enable a comprehensive exam (D4355)
- 1 Emergency Visit – includes x-ray if needed (D0140)
- 1 Set of Regular X-Rays – 4 Bitewings (D0274) annually
 - Children only need 2 Bitewings depending on age and dentition (D0272)
- 1 Set of Full Mouth X-Rays (D0210) or Pano X-Rays (D0330) **
- 1 Fluoride Treatment
- Oral Cancer Screening (for high-risk patients or 40+)
- Yearly Periodontal Screening
- 20% off additional cleanings as needed.
- 15% - 20% off our standard rate for all other services offered in our office, including, but not limited to:
 - Sealants
 - Fillings
 - Dental Crowns and Bridges
 - Dental Implants
 - Root Canals
 - Oral Surgery (Extractions)
 - Orthodontic Treatment
 - Cosmetic Services

* Patients who have periodontal disease need additional care to restore and maintain gum health and are not eligible for regular dental cleanings. We will, however, discount recommended treatment by 30%; this includes Full Mouth Debridement, Arrestin, and Scaling and Root Planning. Periodontal maintenance cleanings (D4910) will be offered at 30% off our standard rate. Or you may see the Periodontal Savings Plans available.

** A full series of x-rays or Panoramic x-ray is recommended once every 3 years.
