

NEDA AZADIVATAN, D.D.S.
Laser Periodontics and Dental Implants of South Carolina

INSTRUCTIONS PRIOR TO PERIODONTAL LASER SURGERY

- *Take the remainder of the day off from work to rest*
- *If you are having sedation – you must have someone drive you to and from your appointment*
- *Please have your prescriptions filled and ready to be taken after your appointment. Please bring prescriptions to your appointment.*

MEDICATIONS AFTER LASER SURGERY

- ***Amoxicillin 500 mg x 21*** - 1 tid (three times a day until gone)
This medication will make you sensitive to sun while you are taking it.
- ***Ibuprofen 400 mg x 18*** - One three times per day for 3 days and then as needed for pain.
Do not take if you are on Coumadin or Plavix.

FINANCIAL

- *Make sure arrangements are made prior to surgery. Payment in full is to be made the day of surgery. If you have dental insurance we will file as a courtesy to you, however the patient's uninsured portion is due the day of surgery.*

If you prefer to watch NETFLIX while having your procedure done, please bring bluetooth headphones.
